## **CONSTRUCTION NOTICE**

### **Park Shore Bridge Maintenance**

The City of Naples contractor, Kelly Brothers, Inc., will be performing maintenance work on the Park Shore Bridge beginning October 4, 2010. At the outset, work will take place on the bridge deck surface, which will reduce traffic to one lane. The contractor's staff will control traffic passing over the the bridge. Both lanes will remain open during the evening hours between 6 p.m. to 6 a.m. The lane closure will continue each day through October 25, 2010, after which time both lanes will remain open for the duration of the project.

More comprehensive maintenance will be performed underneath the bridge deck through December 2010. This work is not expected to affect road traffic or marine vessels passing under the bridge. During construction, motorists, bicyclists and pedestrians are encouraged to use Harbour Drive to avoid traffic delays.
